The district prohibits discrimination and harassment in, but not limited to, employment, assignment and promotion of personnel; educational opportunities and services offered students; student assignment to schools and classes; student discipline; location and use of facilities; educational offerings and materials; and accommodating the public at public meetings.

The Board encourages staff to improve human relations within the schools, to respect all individuals and to establish channels through which patrons can communicate their concerns to the administration and the Board.

The Board directs the superintendent to designate the district's civil rights coordinator and make contact information to staff, students and parents.²

The superintendent shall appoint individuals at the district to contact on issues concerning the Americans with Disabilities Act and Americans with Disabilities Act Amendments Act (ADA), Section 504 of the Rehabilitation Act, Title VI and VII of the Civil Rights Act, Title IX of the Education Amendments, and other civil rights or discrimination issues, and notify students, parents, and staff with their names, office addresses, and phone numbers. The district will publish complaint procedures providing for prompt and equitable resolution of complaints from students, employees and the public, and such procedures will be available at the district's administrative office and available on the home page of the district's website.

The district prohibits retaliation and discrimination against an individual who has opposed any discrimination act or practice; because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing; and further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising any rights guaranteed under state and federal law.
