

SISTERS SCHOOL DISTRICT

ATHLETIC DEPARTMENT

Greetings!

As the 2023-2024 school year begins the Sisters High School Athletic Department is seeking your sponsorship. By joining the Outlaw Black and White Club your proceeds allow us to continue to operate first-class athletic programs for all our students.

Why support athletics? - They provide academic support and stress excellence in the classroom - They attach students to their school and give them a sense of place - They provide leadership opportunities for our young people - The impact athletic activities have on a student's development and emotional well-being last a lifetime - Over 80% of our students participate in co-curricular activities.

Why is there a need for funding?

Within Sisters School District there is a significant shortfall in funding for co-curricular programs from the state level. Many portions of our district programs rely on fundraised dollars for camp scholarships, equipment, transportation, facilities, maintenance, supplies, and fees for officials which is approximately \$45,000-\$60,000 annually.

Through the Sisters Schools, we coordinate to offer programs that host a number of tournaments, games, and clinics that bring over 15,000 people to town each year, which in turn helps support our local business and economy. With your support, we can continue to offer and grow these programs to include more students and attract more people to Sisters. Because of our unique location, Sisters has the capacity to become a destination location for athletic competitions, camps, and training sessions. Sisters School District is a non-profit entity and that makes donations tax-deductions.

CLUB MEMBERSHIP

BECOME A MEMBER TODAY

SHS Athletics Black and White Members: (Donate \$250 to \$999 per year)

- Receive a season pass to all Outlaw Athletic events for the entire year (not Valid for OSAA endowment and playoff games)
