

Recruitment of Licensed Staff

The superintendent will develop and maintain a recruitment program designed to attract licensed personnel to the district.

It is the responsibility of the superintendent, with the assistance of other district administrators, to determine the personnel needs of the district and to locate suitable candidates to recommend for employment by the district. Those factors considered will include, but not be limited to, the diverse characteristics of the district.

The search for licensed staff members may extend to a variety of educational institutions and geographical areas.

Present employees who meet the stated requirements are encouraged to apply for any vacant district position.
